Floating Docks

Titan Series

The Titan Series Floating Dock combines the best features of all our docking systems into a single, long lasting, high performance dock. Our rugged reinforced pontoon flotation system ensures the dock stays safely above the water and waves. Like all On the Water Designs docks, our Titan Series Pontoon Floating Dock is fabricated by skilled welders and carpenters to ensure your dock lasts a lifetime.. or longer! Our aluminum frames come complete with a 10 year warranty and our reinforced pontoons come complete with a 25 year warranty!

Designer Series Floating Docks Include:

- ✓ Frame, Pontoons & Decking (If Purchased)
- ✓ Chain Retainers at Corners
- ✓ 15' & 20' Ramps Include Stiffener & Float
- ✓ 10 Year Welded Frame Warranty
- ✓ 25 Year Pontoon Warranty

DID YOU KNOW?

Pontoon floats are the best choice for flotation when big waves are frequent

Pontoon floats respond more slowly than box floats to waves due to the rounded shape of the bottom. This gives a greater feeling of stability in rough conditions when big waves occur.

Are calm conditions your normal? Check out our more economical Designer Series Floating Dock with box floats
